Board Meetings are open —call editor for schedule 847-564.0214
Glenbrook Countryside Property Owner's Association P.O.Box 342 Northbrook, IL 60065-342

All slated officers were voted in for the year 2017 at the Annual Membership Meeting, April 19th, by registered members of Glenbrook Countryside. Our speakers were welcomed by good attendance, and Participation. New and exciting things are ahead for our community—we welcome all the new families.

Road District Forman, Wally Kerr, introduced the new Commissioner of Highways, Tim Rueckert from *Glenview Countryside*—also, an unincorporated area of Cook County. Everyone's long time friend, Peter Amarantos, retired this year from the Northfield Township—after serving twenty-four years. Other guests : Chief of Staff for Cook County Commissioner, Greg Goslin, was Terry Graham—and from Cook County Sheriff's Police, Lt. John Konrad, with Ms. Penny Mateck-Community Relations.

June started with the Township brush-pick up! A welcome sight to see the township crew coming to grind up all our brush...AS A REMINDER—that's **May, June and September** ...and they do come out **after a storm to pick up**. BUT it's your responsibility to get it to the curb. *There are some homeowners, that just don't get it.* It's a benefit service..all YOU have to do is take care of your property —clean it up—put it to the curb. Brush and limbs make good nesting places and homes for critters, YOU DON'T want. Cute baby skunks and other critters, find these places comfortable to hide while having their dinner, and leaving 'stuff' behind-Phew!

NOW...ABOUT the lawns 'Be a Good Neighbor Maintain your Lawn'

Nobody, wants your dandelions, or to see your Lawn 3 feet high, next to the work they have put into their own clean fresh cut grass...did you know the township has regulations that prohibit grass and weeds from growing more than twelve inches high? Dandelions grow faster than grass. Over grown grass and yards can be reported to any board member or the association president.

LET'S KEEP COUNTRYSIDE CLEAN.....that's a joint effort.
